SUSTAINED GROWTH

STRUCTURE

99%

The building structure is 99% complete and is scheduled to be finished during the month of June.

Finally, the pergola on floor 20 to give the final shape to the residential complex will be executed.

BRICKWORK

42%

As for the spaces inside the homes, the partition walls are currently being built.

THE STRUCTURE COMPLETION FLAG IS READY

Gran Canet **is getting ready to raise the flag on the highest part of the building.**

This is a traditional act that symbolises completion of the structure, and is an exciting moment for everyone involved.

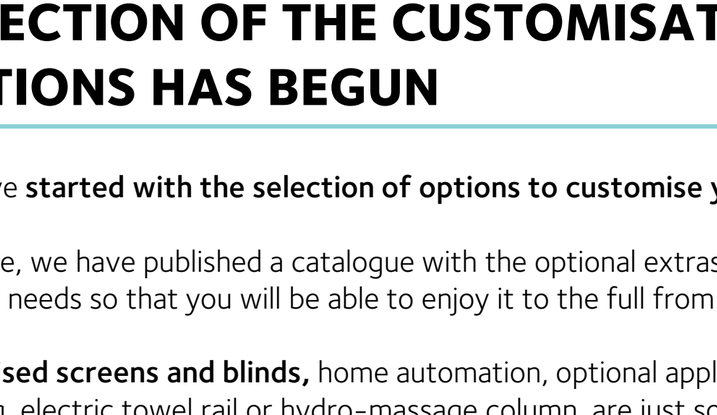

SELECTION OF THE CUSTOMISATION AND UPGRADE OPTIONS HAS BEGUN

We have **started with the selection of options to customise your home within our Customisation Programme.**

Likewise, we have published a catalogue with the optional extras to make you home more complete and to adapt it to your needs so that you will be able to enjoy it to the full from day one.

Motorised screens and blinds, home automation, optional appliances, finishes to wardrobes and cabinets, heated flooring, electric towel rail or hydro-massage column, are just some of the upgrades you will be able to choose from our catalogue.. Furthermore, premium homes will have the choice of a swimming pool on their terrace.

Request our optional equipment catalogue.

GRAN CANET'S STAND ONE OF THE SENSATIONS AT SIMA 2021

Gran Canet had a stand at the SIMA 2021 from 27th to 30th May, **the most important real estate fair in Spain.**

The stand **was a reference point at the fair for its unique, innovative design.**

A large number of visitors came to see us and make enquiries, thus confirming that Gran Canet is a particularly attractive project in the real estate sector.
